Dear Mr Riscanu,

I refer to your letter dated 3 June 2013, addressed to the Director-General of the Romanian Intelligence Service with a copy to the President of the European Commission, Mr Barroso. The President has forwarded the letter to OLAF and has requested that I reply to you on his behalf.

I would like to take this opportunity to inform you that with my decision of 15 November 2012 the coordination case OF/2010/0068 was reclassified as an investigation. As the investigation is currently on-going, you will be informed of its outcome once it has been concluded.

Yours sincerely
